### MEMORANDUM ENDORSED

May 10, 2022

#### BY ECF AND EMAIL

The Honorable Gregory H. Woods  
United States District Judge  
United States Courthouse  
500 Pearl Street  
New York, NY 10007

**Re: *United States v. Okami Landa, 15 Cr 723 (GHW)***

Dear Judge Woods:

The parties are scheduled to appear before this Court on May 16, 2022, at 10:00 a.m. for a revocation hearing regarding the Okami Landa's pending alleged violations of supervised release. Since the parties were last before the Court, the Government has provided discovery, and the parties engaged in discussion regarding the pending allegations against the defendant which may obviate the need for an evidentiary hearing in this case.

On April 8, 2022, AUSA Mathew Bradley submitted a motion letter with my consent requesting an adjournment to further those discussion and to allow defense counsel to review

discovery. The Court granted that request. Since April 8, 2022, I have received and reviewed additional discovery provided by the Government and viewed additional sensitive discovery images of an evidentiary nature at the office of the Federal Investigations Bureau in Westchester County. Receipt of one final outstanding discovery remains pending, which I hope to receive and review within the next 10 days after my recovery from Covid 19.

This past Sunday May 8, 2022, I tested positive for Covid 19, and I have all the related symptoms. I am quarantined at my home this entire week. I respectfully request a brief adjournment of 45 days, with the Government's consent, to finalize my review of the discovery, allow an opportunity to meet with my client at the Hudson County Correctional Facility to prepare a pre-pleading mitigation report and to recover from my current health condition. For the foregoing reasons, the parties therefore request that the Court adjourn the hearing date for 45 days, to a date convenient to the Court.

Respectfully submitted,

THE PORTELA LAW FIRM, PC

Application granted. The conference scheduled to take place on May 16, 2022 is adjourned to June 22, 2022 at 9:00 a.m.

The Clerk of Court is directed to terminate the motion pending at Dkt. No. 71.

SO ORDERED.

Dated: May 10, 2022  
New York, New York

  
GREGORY H. WOODS  
United States District Judge
